2. Possession under the order of attachment shall be taken by erecting a long bamboo on the land in the presence of some of the chief inhabitants of the neighbouring villages including members of the panchayats and chaukidars. The order shall also be proclaimed at some place on, or adjacent to, the property by beat of drum or other customary method; and copies of the order shall be affixed at a conspicuous part of the property and at a conspicuous place in the nearest inhabited village. A copy thereof shall also be affixed in a conspicuous part of the office of the Subdivisional Officer or Collector.

II.—MANAGEMENT.

Pending a decision of the Court, under section 6 of the Act, the Collector shall cause to be prepared a list showing the names of all persons claiming to be in cultivating possession, disputed or otherwise, of particular lands within the attached area. If there be no dispute regarding the cultivation of any land, the person in possession shall be left undisturbed to cultivate that land and a temporary settlement made with him pending the Court's decision. If there be such a dispute, the land shall be settled temporarily in such manner as the Collector may direct.

4. The settlements under rule 3 shall be effected by the simple grant of permission to cultivate the land on condition of the payment of a certain rent, and on condition that the tenancy will terminate on the expiry of such period as may be fixed, not exceeding three years, or, if within such period the Collector puts, according to an order passed under section 6 of the Act by the Court, any other person in possession, on the date of such possession being given.

5. If the Collector appoints a Receiver for the attached land, the powers, duties and liabilities of such Receiver shall be the same as those of a Receiver appointed under Order XL in the First Schedule to the Code of Civil Procedure, 1908 (Act V of 1908).

III.—DEMARCATATION, SURVEY AND PREPARATION OF A MAP.

6. So far as practicable, the disputed area shall be clearly demarcated by permanent pillars.

7. A survey of the boundary of the attached area, together, where necessary, with a survey of the internal detail of the area, shall be made by means of a theodolite. Such survey shall, where practicable, be connected with such permanent marks as may exist in the vicinity.

8. (1) The map prepared on the basis of such survey shall show—

- (1) the boundary of the disputed land;
- (2) internal boundaries where necessary;
- (3) the permanent marks with which the survey was connected, where practicable;
- (4) the boundaries of adjacent lands so far as may be necessary; and

2. The Governor is further pleased to order that in accordance with the recommendations of the said Commissioners the petitioner (Babu Annoda Prasad Sanyal) shall pay to the respondent (Babu Surendra Narayan Singh) the sum of Rs. 1,200 as costs, with interest thereon at the rate of Rs. 6 per cent. per annum with effect from the 10th April 1921.

3. The following report of the said Commissioners is published in accordance with the provisions of rule 43 (2) of the said rules.

J. DONALD,

Chief Secretary

to the Government of Bengal (offg.).

Report on case No. 1F. of 1921—Berhampore—under the Bengal Electoral Rules.

Present :

MR. G. B. MUMFORD.

„ BANWARI LAL BANARJI.

„ RADHARAMAN MUKHARJI.

We, the Commissioners appointed under the above rules, have the honour to submit that in this election petition—which we have been appointed to hear—and which has been brought by Babu Annoda Prasad Sanyal of Berhampore, elector No. 1881 in the electoral roll of the district of Murshidabad, Bengal, against the election of Babu Surendra Narain Singh of Nihalia, the original prayers were:—

- (1) that on account of the corrupt practices and irregularities mentioned in the petition (and summarized below), the election of Babu Surendra Narain Singh be declared void and be cancelled, and
- (2) that Babu Ramani Mohan Sen, the candidate who had the next largest number of votes be declared elected.

Stated briefly the corrupt practices alleged are as follows:—

- (1) *Clause IV (1) of petition.*—Payment of bribes to voters by Surendra Babu's agents and men.
- (2) *Clause IV (2).*—Payment by the same, or promises to pay, to officers of landlords to secure votes.
- (3) *Clause IV (3).*—Payment of money by the candidate himself to "an influential man" (unnamed) for the same purpose.
- (4) *Clause IV (4).*—Promises of money by the candidate's men to various parties at various places and for various purposes,—e.g., for a library—to secure votes.
- (5) *Clause IV (5).*—Treating at the poll.
- (6) *Clause IV (6).*—Publication of false statements in a local newspaper.

(7) *Clause IV (7)*.—Interference with electors by publication of leaflets and otherwise.

(8) *Clause VI*.—Undue influence exercised by the candidate himself towards one Babu Anil Kumar Chatterji, a rival candidate.

Clause V.—The irregularity alleged is that at one polling station voters from outside were allowed to vote illegally after 3 P. M.

All the candidates were made respondents in the petition in compliance with rules 32 of the Electoral Rules, but Ramani Babu, not having claimed the seat for himself at this enquiry, a petition to withdraw the second prayer was filed and allowed.

The only prayer, therefore, which we have now to consider is that for declaring the election of Surendra Babu void; in other words, we have to consider whether any of the grounds mentioned in rule 42 of the Electoral Rules have been made out.

The following issues were settled by us on reference to the pleadings:—

(1) Were the payments referred to in paragraphs I to III of clause IV of the petition, the promises referred to in paragraph IV, and the publication referred to in paragraph VI made by the first respondent (candidate) or his agents? Was there treating or interference by his agents as alleged in paragraphs V and VII?

(2) If so, do any of these acts amount to corrupt practices as defined in schedule IV of the rules?

(3) If so, what is their effect?

(4) Are the allegations in paragraph V of the petition correct? If so, do they amount to such non-compliance as is referred to in Part VII, section 42(1)(c) of the rules, and, if so, was the result of the election materially affected thereby?

(5) Is there any legal bar to the maintaining of the petition?

(6) Are the allegations in clause VI of the petition correct? And if so, do they amount to *undue influence*, as defined in schedule IV, Part I(2) of the rules?

DECISION.

Issue (5).—We can find no legal bar to the maintaining of the petition. It is urged that the petition is a *benami* one, and that really it has been brought at the instance of Ramani Babu, and should therefore be thrown out. But the rules provide for the filing of a petition by any elector, and we see no force in this objection.

It was also urged at the outset that the petition should be rejected on account of its undoubted vagueness. But we were doubtful as to our power to do this once it had been accepted by Government. We requested the petitioner, however, to furnish further particulars, as the petition—as it stood—was one which no man could be expected to meet, and this was done within the time allowed by us.

Issue (6).—The only evidence on this point consists of the statements of petitioner's witness J. Babu Anil Kumar Chatterji. He was a candidate himself, and is a respectable man holding several public offices. His statements are therefore entitled to special consideration. He says that Surendra Babu (respondent in this case) came to his house and requested him to withdraw his candidature, and that he also asked him whether he was ready to withdraw if Ramani Babu also withdrew. He replied that he would fight to the last, and he says that thereupon Surendra Babu said that he would see how Anil Babu would get himself elected and how much money he (Anil Babu) could spend over the matter. Anil Babu goes on to state that he understood Suren Babu to mean that by spending money he would take away some voters on his side. Assuming that this is a correct account of the interview let us see whether Surendra Babu's conduct can be described as undue influence as defined in the Electoral Rules. These rules require interference or attempt to interfere with the candidate's right to stand by means of violence, injury, restraint, or fraud or any threat thereof. It has been argued that there was threat of injury, and fraud. We are inclined to think that the term

"injury" used here means either temporal injury of a like nature to "violence" or "restraint" between which two expressions it finds a place, or some wrong for which either a civil or a criminal action might be brought and that it does not include a mere chance or contingency of not being elected. Surendra Babu's threat, regarded from another point of view, really appears to be one of mere competition, and without attempting to lay down any precise definition of the term "*injury*", as used in the rules, we think it is sufficient to say that in our opinion injury was not threatened in this case.

As regards *fraud*, it has, no doubt, been mentioned in the petition that Surendra Babu falsely represented to Anil Babu that Ramani Babu would withdraw in his (Surendra Babu's) favour. But this is not what Anil Babu says in his evidence. We cannot agree therefore that there was any false representation—let alone fraud. It is true that Anil Babu has said that what is stated in the petition is correct. If he means that, we can only hold that he has put a construction upon Surendra Babu's words which the words themselves do not justify. Further, Anil Babu has definitely stated in his cross-examination that the only words used by Surendra Babu in connection with Ramani Babu's withdrawal were those which we have quoted above. In the circumstances we are unable to find that there was any fraud. This issue therefore is also answered in the negative.

Issue (4).—Petitioner's witnesses 21, 22 and 32 are the witnesses on this point. Petitioner's witness 21 is an agent of the defeated candidate—Ramani Babu, who is son of Rai Baikuntha Nath Sen Bahadur under whom the petitioner is an employee. He says that people from outside the building in which the poll was held, came in and voted after 3 P.M. But he made no complaint to the polling officer about this. His explanation that he did not know that the procedure was irregular, and his statement as to the way in which he came to depose in this case, appear to us to be disingenuous. Moreover, he does not say that the people in question voted for Surendra Babu or that they were not waiting outside from before 3 P.M. He and petitioner's witness 22 contradict one another as to whether there was any policeman on guard, and he was once convicted for lurking house trespass. The next witness—petitioner's witness 22—is a degraded civil court clerk. He cannot definitely say whether any voter came in from outside after 3 P.M. The last witness—petitioner's witness 32—was produced at a later date, as if to fill up a gap in the evidence. He speaks of people coming into the compound of the polling station in a carriage after 3 P.M.; but he does not know their names, and only heard that they were voters. The respondent has examined the head clerk of the Lalbagh Municipality who was deputed to watch the voters, and his evidence shews that there was no irregularity or non-compliance with any rule or regulation of any kind. This issue is also decided against the petitioner.

Issues (1) and (2).—We take next the issues (1) and (2) which involve various incidents. We first deal with paragraphs 5 and 6 of clause IV of the petition. Paragraph 5 relates to *treating*, and as to this the only witnesses are petitioner's witnesses 2 and 5. All that petitioner's witness 2 says in chief is that he saw Surendra Babu's canvassers taking voters to have refreshments. In cross examination he says that he saw this from the gate of his master's office, and that the voters were taken to the shop of one Sambhu Ghosh. That shop he admits would be 150 yards from the gate where he was sitting, and he also admits that there are houses and shops between the gate and that shop. He could not say who occupied the houses or owned the shops; he could not mention the names of the voters alleged to have been treated, and he confessed that he simply guessed that they were voters, because two men called Baidyanath and Bholanath were bringing them from the direction of the polling station, which place he admits was not visible from where he was sitting. Sambhu Ghosh, we may add, supplies the people of his office with sweets, and though he was cited by the petitioner he was not examined. There is nothing to prove that Bholanath and Baidyanath were Surendra Babu's agents, and the witness does not say that he saw refreshments actually provided from the shop. In the circumstances we cannot attach any value to his evidence.

Petitioner's witness 5 says that one Basanta gave Rs. 25 to one Sashi Das to pay for sweets given to voters. It is sufficient to say that this witness swore an affidavit relating to corrupt practices on the part of Basanta and entirely omitted therefrom any reference to this incident. Basanta has been examined by the respondent, and he denies it. We are unable to find that there was any treating.

As regards paragraph 6 of clause IV, the statements are not shown to us to be false, and appear to us to be perfectly harmless. Neither Surendra Babu nor his agents have been proved to have had any connection with the publication. In the circumstances it is unnecessary to say more on the subject.

No evidence has been given of the interference alleged in paragraph 7, clause IV of the petition.

We now proceed to discuss the evidence regarding the payment of bribes to voters, taking the alleged payments in the order given in the further particulars.

I (a) Payment to Sashi Das by Basanta, agent of respondent.—With this allegation we have already dealt, and we need only add that according to the only witness—petitioner's witness No. 5—there were many persons present, some of whom he names—when the payment is said to have been made, none of whom have been examined. In our opinion, this allegation has not been proved.

I (b)—Payment to Jatin by Dinobandhu, agent of respondent.—Petitioner's witness Nos. 6, 9 and 10 speak to this alleged payment. They are—as the evidence shows—men of straw, and their statements are highly discrepant. Admittedly they did not perform their obvious duty of bringing the illegality to the notice of the polling officer and their explanation as to how they came to be put into the box is very disingenuous. Moreover—as a matter of fact—there is no reliable evidence to show that Dinobandhu was an agent of Surendra Babu at all. This payment also, we do not think, has been proved.

I (c)—Payment to Murari by Kshirode Sashi Ghosh, agent of respondent.—Petitioner's witness 7 alone speaks of this. He says that the sum paid was Rs. 2 only. There is, however, no evidence to show that this Murari was a voter at all.

Petitioner's witness 30 is the naib of this witness's village and there is good reason to believe that the former canvassed for Ramani Babu. We shall further consider his evidence when dealing with another allegation. It is sufficient to note here that he has not proved payment to any voter and that any such payment was denied by Kshirode who was examined by the respondent.

I (d)—Payment to a voter of Tungi by Hrisikesh, agent of respondent.—Petitioner's witness 16 alone deposes to this. He admits that others, one of whom he names, were present, but they were not called. He does not know the name of the old culprit. He only heard that he was a voter, and he had never seen him before. He says that he did not inform the polling officer of the payment although admittedly he realised that it was a wrong thing. The respondent has been attacked for not examining Hrisikesh who was admittedly his agent. We find that he was summoned; but we have no reason to suppose that respondent could have been aware of his absence in response to the summons until it was too late to ask for a further process against him. We are not satisfied as to this payment.

I (e)—Payment to voters by Benoy pada, respondent's agent.—The only witness, who speaks to this payment, is petitioner's witness 32. He says that Benoy paid Re. 1 each to two sweepers who are said to have votes; but he does not know their names or addresses. He had never spoken to them before though he had known them by sight for years. There were many people present, he says, when the payment was made; but no one of them has been examined. We have dealt with the evidence of this witness before, on another point, and to shew the type to which he belongs, it is sufficient to state that though he admits that his brother was a canvasser, he professes to be unable to say for whom he canvassed. He also says that he did not know what he would be asked when he stepped into the witness box. We cannot accept testimony such as this.

Clause I (f)—Payment to some voters at Khargram by Krishnadhan and Satish, agents of respondent.—We can find no evidence on this point. Petitioner's witness 26 deposes to the promise referred to in clause IV (e) of the further particulars, which is distinct from clause I (f) with which we are now dealing.

Clause I (g)—Payment to voters at Gorabazar by respondent's agents.—We can find no evidence on this point also.

Clause I (h)—Payment to voters at Jethia for Lakshmi Puja by Kshirode Sashi Ghosh, agent of respondent.—On this point the only witness is petitioner's witness 19; but all he professes to prove is an admission by one Satish on this point. As a matter of fact the point was not pressed. We do not find that any payment has been proved.

Clause I (i)—Offer of money to Bhujanga by the candidate himself.—This is a very serious allegation, for the sitting candidate has been himself charged with direct bribery. The only witness on the point is—petitioner's witness 3—Bhujanga himself. We think it sufficient to say that the offer—even if made—is couched in words which do not necessarily simply more than an invitation to Bhujanga to become an agent. For the offer is said to have been one “to pay, if necessary, the costs for securing” votes. Bhujanga cannot explain how he came to depose in this case. Further, he professes to have told other people of the offer; but he is the only witness examined. The respondent was violently attacked for not going into the witness box; but when we find that this offer, the alleged attempt to interfere with Anil Babu and a certain alleged payment to Chandra Chatterji—with which we shall shortly deal—are the only things imputed to him personally, we cannot draw any adverse inference from his absence.

Clause I (i)—Offer to Ram Chandra Biswas by Dinabandhu, respondent's agent.—As to this, the only witness is petitioner's witness 6. It is surprising that Dinabandhu should offer him money for voting when he admittedly had no vote. It appears, however, that according to this witness the offer was with a view to securing votes of others. We have already disbelieved this witness in the matter of the alleged bribe to Jatin, and we cannot rate his evidence any higher on the present point. He and petitioner's witness 9 also speak of a similar offer to the latter by Dinabandhu, but we have already placed petitioner's witness 9 in the same category with him. Further, we do not find it proved that Dinabandhu was an agent of respondent. We do not think that the petitioner has made out a case as regards this offer.

Clause I (j)—Offer to voters of Shapore and Amlai.—No evidence was adduced on this point.

Clause II (1)—Offer of money to Lalit Mohan by respondent.—No evidence has been given on this point.

Clause II (2)—Offer of money to Abinash Roy by Basanta, agent of respondent.—The only witness on this point is Abinash himself, petitioner's witness 4. He was an agent for Anil Babu, and he says that he was offered Rs. 50 to “try for respondent instead.” We shall deal with this witness when discussing the evidence as regards the offer to the Jangipur Library. All we need point out now is that the offer, even if made, suggests nothing more than an invitation to him to transfer his services as a paid agent, and that the offer has, as a matter of fact, been denied by Basanta Roy, defendant's witness 3.

Clause II (3)—Offer of money to Nava Krisna by Hrisikesh, agent of respondent.—The only witness to this is petitioner's witness 8. This offer also might have been one for paid agency. The witness does not appear to be a man of any position, and the story of a graduated offer culminating at the poll, as given by him, appears to us to be improbable. In England proof of matters such as these requires very cogent and satisfactory evidence, and we think that the standard of evidence in this country should be at the very least as high as it is there.

Clause II (4)—Offer of money to Parbati Biswas by Hrisikesh Banarji, respondent's agent.—Parbati Biswas, petitioner's witness 16, is the only witness examined to prove this. We have dealt with this witness already

[See I (d)]. He admits that he spoke to another man about the matter, but his evidence stands uncorroborated.

Clause II (5)—Offer of money to Upendra Nath Roy by Kshirode Sashi Ghose, agent of respondent.—In the further particulars the offer is said to have been made by Kshirode; but in the evidence—which is that of petitioner's witness 33—it is said to have been made by Jyotish and Sachinandan! The witness contradicts himself later as to whether it was Jyotish alone who made the offer. Jyotish has not been proved to be an agent of respondent. The witness supported the defeated candidate Ramani Babu, and he cannot explain how he came to be called as a witness. For these reasons we have no hesitation in rejecting his evidence.

Clause II (6).—Offer to Jogesh Mukharji by Kshirode Sashi Ghose.—No evidence has been given on this point.

We do not find any of these offers to have been proved.

With regard to *offers* generally it may be noted that the respondent's counsel asked us to delete the evidence on the ground that the original petition is confined only to payments and *promises*. But as a *promise* includes an *offer*, and as the petitioner used the two terms indiscriminately in his further particulars, we have allowed the evidence of offers to remain.

We will now deal with the alleged *payment by the respondent of Rs. 700 to one Chandra Kanta Chatarji* before the election (clause IV (3) of the petition).—We should first observe that this person is not named at all in the original petition. The evidence on the point is the statement of Bhujanga—petitioner's witness 3—that Chandra Kanta admitted the payment to him, and the statement of Sashi Roy (petitioner's witness 29) that his nephew, Bhujanga (petitioner's witness 3) told him of this. These two witnesses live in the same compound. Chandra Kanta is an overseer of the District Board of which the father of Ramani Babu (the defeated candidate) is the Chairman. It seems improbable that, in the circumstances, he should have supported Surendra Babu at all. Chandra Kanta about a year ago, cut a *bandh* in front of Sashibhushan's house (petitioner's witness 29), and the latter complained against him to the District Board, but got no relief. We think it probable that there was ill-feeling between these two persons on this account. Sashi Roy (petitioner's witness 29) and Bhujanga (petitioner's witness 3) are distant relations of Ramani Babu, one of the defeated candidates, and all of them are *Vaidyas*. There is ground for suspicion that Bhujanga has told this story about Chandra Kanta on the one hand, to upset Surendra Babu's election and, on the other, to get Chandra Kanta into trouble. Notwithstanding the attempt of Bhujanga and Sashibhushan to suppress the fact that they were canvassing for Ramani Babu, there can be no doubt that they were doing so. They were telling people to vote for him, and they also called a meeting of voters to support his candidature. If Chandra Kanta was really Surendra Babu's man, that he should approach Bhujanga and Sashi, of all people, and make the admission alleged, is highly improbable. The payment of money is not alleged to have been seen by anybody, and Bhujanga's account as to how he fell in with Chandra Kanta at the time the admission is said to have been made, does not appear to us to be credible. Chandra Kanta is said to have made this admission in connection with Surendra Babu's offer to Bhujanga noticed above, and we have pointed out that that offer was not necessarily more than an invitation to Bhujanga to become a paid agent. Bhujanga admits that he spoke to others besides Sashibhushan about the alleged offer to Chandra Kanta, but they are not called as witnesses.

The evidence of respondent's witness, Shyam Babu, pleader, shows that Chandra Kanta was not at the place where the offer is said to have been made, at the time alleged.

In this connection we do not find that any corrupt practice has been established.

We now come to certain alleged promises of payments, the first of which is—

(a) *A promise of Rs. 1,000 for a library at Jangipur* by Bhajahari, Shyam, Kshirode, Basanta and others, agents of the respondent.

These persons are all named in the particulars, but in the evidence the only alleged agents implicated are Bhajahari and Shyam Babus. Petitioner's witnesses 2 and 4 speak to this promise and we have also a statement by petitioner's witness Anil Babu in connection therewith. Anil Babu says that petitioner's witness 4 told him that he had been told by Bhajahari that if some amount (the exact amount he does not state) were paid to the Jangipur Library, the votes of Jangipur might be secured for Anil and not otherwise, as Surendra Babu had made an offer of money for that purpose. Anil Babu's statement has no independent value, and he confesses that he does not exactly remember what petitioner's witness 4 said to him. We have already disbelieved petitioner's witness 2 in connection with the matter of *treating*. He speaks of an admission by Shyam Babu to him about the offer to the library, and of a later admission to voters at the polling booth. At that time, he says, Shyam Babu was in the compound of the polling hall, but his cross-examination shows that he could not possibly have seen Shyam Babu in the compound so long as he was present at the poll. The evidence shews that Shyam Babu wanted to eject him from the polling hall, and that Dwija Babu, Ramani Babu's agent, gave him a note to the polling officer to secure his admission. It appears that he is Ramani Babu's man. Shyam Babu denies the allegations *in toto*, and Bhajahari has not been proved to have been agent of Surendra Babu. As regards petitioner's witness 4, his informant is said have been this Bhajahari Babu, and in the circumstances, the latter's statement, if any, would be inadmissible. According to this witness Shyam Babu was present when Bhajahari gave the information and said that if witness got the same amount (from Anil Babu), they would get votes for him (Anil Babu) too. This picture of Shyam Babu openly selling the same votes twice over, appears to us ridiculous. Petitioner's witness 4 is shewn to have been very anxious to get money for the library, and it is difficult to resist the suspicion that he may have invented his story in order to bleed Anil Babu. He has desposed in the most disingenuous fashion throughout, and there is an obvious discrepancy in the evidence as to when he informed Anil of the matter. The respondents' witness Shyam Babu is a pleader, and man of position, and the petitioner's counsel has failed to persuade us that his evidence cannot be relied on. That evidence gives the lie to the story of the petitioner's witnesses on this point. The respondent has been attacked for not calling Bhajahari Babu; but it appears that he was originally cited as a recriminatory witness. The withdrawal of the petitioner's second prayer shut out such evidence, and we do not see why we should draw any adverse inference from respondent's omission to examine him.

Clause IV.—We next come to the offer of Rs. 2,000 for the Baralla School to Sashi and others, by the respondent's agent, Kshirode.

The witnesses on this point are petitioner's witnesses 3, 7, 20, 29 and 30. Petitioner's witness 3 is Bhujanga; petitioner's witness 29 is Sashi, and we have already commented on the character of these witnesses. Petitioner's witness 3 spoke of one *Kshirode Behari Sirkar*, as making the offer, and petitioner's witness 7, whose brother is a gomastha of petitioner's witness 20, spoke of *Kshirode Sashi Ghosh*, respondent's admitted agent. The latter's evidence really only amounts to this: that he heard Sashi tell Kshirode that he could not take any money. The witness is a tenant of the village of which Ram Prasanna—petitioner's witness 30—is the naib, and petitioner's witness 30 was strongly supporting Ramani Babu. Petitioner's witness 7 is also a priest of Kali Babu, who was a canvasser for Ramani.

As regards petitioner's witness 20, he does not explain how he came to be called as a witness, and he admits that he was once fined Rs. 1,000 in a ear-cutting case; he was a supporter of Ramani, and both he and Ram Prasanna (petitioner's witness 30) are members of the school committee of which Sashi is the secretary. He speaks apparently of an independent offer to himself, which is not specified in the particulars, and, unlike the others, he does not state what amount was offered.

At first only these three witnesses deposed to this incident; and we have reason to believe that it was because their evidence was found to be neither sufficient nor reliable, that petitioner's witnesses 29 and 30 were

subsequently summoned. These were the two witnesses, whom we should have expected to have been called, before any others, to prove the incident and the omission to cite them before has not been satisfactorily explained.

Sashi Babu was brought up in the house of Anil's father, and Anil expected his assistance in the election; but he tells us that Sashi wanted to sell the votes under his control for Rs. 500, whereupon Anil explained to him that this was illegal. Sashi Babu denies this; but we certainly prefer to believe Anil Babu in the matter. We find from the latter, that the Baralla School Committee members must have been ready to sell votes for the benefit of the school, and if Surendra Babu really made the offer of Rs. 2,000, we can not believe for a moment that it would have been refused as is alleged. It is to be noted that this would be an enormous price to pay for a few votes which the School Committee might control.

It is clear from the evidence that Baralla was a stronghold of Ramani Babu; and it is probable that these witnesses have combined, in an attempt to secure him the seat, by trying to unseat Surendra Babu.

It is also unlikely that anyboy on Surendra Babu's behalf, should have attempted to storm that stronghold.

Sashi Babu cut a sorry figure in the witness box; he hesitated to deny that he asked for any money for canvassing for Ramani Babu and it would appear from his evidence, that he has been disbelieved in previous cases.

Petitioner's witness 30 appears to us on his own shewing to be little better than an accomplice, as he implies that he personally had no objection to taking a bribe. We conclude that this offer to the Baralla School has not been proved.

We next come to the alleged offer of money to the Shijgram school, made by Jadu Ray, respondent's agent, to one Pramatha, who is petitioner's witness 17.

Witnesses on this point are Pramatha himself and petitioner's witness 31, teachers of the same school. Before we discuss their evidence, we should note that Shijgram was not even mentioned in the original petition.

Admittedly the secretary of the school could have deposed also to this incident, but he was not called. He is a member of the District and Local Boards, and has reason to be grateful to the former for the erection of a dispensary and a well at Shijgram.

There are some grounds, therefore, for the suggestion of respondent's Counsel that members of this school wish to stand well with the District Board, of which the father of Ramani Babu is the Chairman.

Petitioner's witness 17 attended a meeting at Shijgram, called to support Ramani Babu; he is not a local man and had no vote; there is nothing to show that he had any influence over voters, and it is unlikely that the offer should have been made to him, rather than to the secretary. Shijgram also appears to have been a stronghold of Ramani Babu; and it is therefore improbable, in our opinion, that this offer should have been made at all. We are not satisfied that the petitioner has made out a *prima facie* case regarding this offer; it appears that neither of the two teacher witnesses was averse to accepting a bribe; it also appears that the school committee was then hard-pressed for money, and we cannot therefore believe the story of this offer and refusal.

As regards petitioner's witness 31, he did not depose in a straightforward manner. He asks us to believe that he does not remember whom he considered to be the fittest candidate!

The next thing to be considered is the alleged offer to petitioner's witness 16 by Hrisikesh for a school at Amtola. Petitioner's witness 16 is the only witness who speaks about this; we have discussed the character of this witness already, and we do not understand why he was approached rather than the secretary of the school, whose gomasta he is. We are not prepared to accept his uncorroborated statement.

The next promise alleged is one of money by Krishnadhan and Satish, agents of respondent; and the only witness to this promise is petitioner's

witness 26. He says that petitioner's witness 28 knew of it; but petitioner's witness 28 flatly denied this; it is this witness who says that, when questioned by the petitioner as to what he would depose to, he replied; "I will say what God will inspire me to say, but I do not know what He will inspire me to say"!!

We cannot accept his evidence, and we have not been seriously asked to do so.

The next promise alleged is one of payment of money by Kshirode, respondent's agent, for a school and tank at Rajnagar. The witnesses on this point are petitioner's witnesses 11 and 19. Petitioner's witness 11 implies that the offer was only for a tank, and both witnesses say that the offer (not technically a promise) was by both Kshirode and another man named Satish—who has not been proved to be an agent. Petitioner's witness 19, in fact, at first said that Satish alone made the offer. Afterwards he represented Kshirode as saying: "Vote for my master and you will get help." Petitioner's witness 11 says that the offer was really made to one Mahendra, chief mandal of the village; but Mahendra has not been called. Petitioner's witness 11 adds that previous to deposing he mentioned the offer to no one, and did not know what he would be asked! Petitioner's witness 19 asks us to believe the same thing. These two witnesses contradict one another, and we are not prepared to accept their evidence. One is a gomasta and the other is a tenant under one Jogesh Naib who appears to have canvassed for Ramani Babu, the defeated candidate. (Cf. petitioner's witness 1 and defendant's witness 1.)

Kshirode denies ever having made any such offer as alleged.

Then we come to an offer alleged to have been made to voter Phani Bhusan Bhattacharji and others for a school at Bhumihar by Kshirode, Satish and others, agents of respondents.

There is no trace of any man named Phani Bhattacharji; but petitioner's witness 23, who is Phani Banarji, speaks of such an offer.

According to him the offer was by Jotish only, and it is not proved that respondent had any agent of that name.

As regards Kshirode, he says that he had a talk with him subsequently, and was then told: "Why not vote for Surendra Babu and then you could get money for the school?" Witness is an intimate friend of Jogesh (see above) and saw him in court here on the 2nd day of the hearing. He appears to have been disbelieved recently in a civil suit in the local munsif's court.

Petitioner's witness 33 speaks of an independent offer to him for the Bhumihar school by Jotish and one Sachinandan and he speaks of them as volunteering that they had made the same offer to Phani Banarji. He is a co-villager of Jogesh and in cross-examination he states that it was Jotish alone who made the offer! He is another of those witnesses who cannot explain how he came to be called at all.

We do not consider this evidence to be sufficient to establish a *prima facie* case of bribery.

Kshirode denies the allegation against him on this point.

Petitioner's witness 28 is the only witness as to the alleged offer for a school at Margram, said to have been made to one Bhola Nath Mitra, who does not depose at all, by Satish and Krishnadhan, agents of respondent. This witness came without summons, and was never even cited. He flatly contradicts another witness (25) on a matter into which it is unnecessary to enter here. His demeanour in the witness box was bad; he refers only to Krishnadhan, and not to Satish, and the former denies the whole incident.

There is a reference in the further particulars to an offer for a school at Garulia; but we can find no evidence in support of this. These offers we regard as unproved.

Lastly, the further particulars refer to an offer to Kumarish, respondent's witness 31, by Jadu, agent of respondent, for a school at Amlai.

Kumarish is the only witness to this, and he had already discussed the character of his evidence. According to him there should be several witnesses to corroborate him; but they have not been called.

He professes to be unable to say whether he came to Court in a private carriage or a *thika gari*. The term "disingenuous" must be applied to him also by any one who heard his cross-examination, and in the circumstances we reject his evidence on this point.

We have now dealt with all the evidence as regards bribery, and we answer issues 1 and 2 in the negative. Issue 3, therefore, does not arise.

We cannot find that the election of Babu Surendra Narain Singh was procured or induced by any corrupt practice, or that any such corrupt practice—as is defined in the electoral rules—has been proved to have been committed. We do not find that there was any irregularity in the election or any non-compliance with any Act, rule or regulation. We report that the returned candidate has been duly elected, and we would therefore dismiss the petition.

We have sat in court for 11 days, and we have spent a whole day in preparing this report.

We have been sensible throughout of the difficulty of our position in hearing a case of this nature for which we know of no precedent in this country, and we must acknowledge the assistance which we have received from learned counsel on both sides (Mr. Monnier for petitioner and Mr. S. K. Sen for respondent) and from the learned pleaders also engaged in the case.

It only remains for us to determine the question of costs, including pleaders' fees, which is one entirely within our discretion.

Respondent has submitted an affidavit of costs totalling a formidable amount. We think that Rs. 100 per diem is a reasonable sum for legal fees, and we would allow another Rs. 100 for witnesses' expenses. We determine that a sum of Rs. 1,200 in all is payable by petitioner to Babu Surendra Narain Singh, respondent, as costs bearing interest at 6 per cent. per annum, and we recommend that this sum be allowed.

In conclusion we wish to state that our report is unanimous.
